

Morgan enjoying the playground at our children's meeting in May!

QUICK UPDATES

SAVE THE DATE!

Our annual Fundraiser is happening again this year on **SEPTEMBER 19th!**

We are so excited to be able to gather once again and sincerely hope you join us!
More information to follow.

IT TAKES A VILLAGE TO RAISE A CHILD!

We have been diligent in helping ensure the children's wellbeing including the physical, emotional & psychological, especially for those children who have lost parental care.

And we need your help, contact us today to begin your child sponsorship journey!

CHILDREN'S MEETING

Our monthly children's meetings continue with JOY! The days are filled with laughter, food, teachings, singing, dancing, and even more food to take home. All children try to attend and even some of the guardians stay & join in on the fun!

END-OF-TERM SUCCESS!

Most of our supported children attend local primary schools. This year a few children in unsafe home environments have been placed in primary boarding schools. This change has been instrumental in helping improve their academic performance. For example, Dennis (class 5 pupil) previously scored 200/500 has tremendously improved since joining a boarding school. This year he scored 357/500 in his end-of-term examinations! GO DENNIS!

In the photo on the right, Gift our highest-scoring child being recognized and congratulated by Nancy for scoring 405 marks out of 500. In Kenya, a passing score is 250/500. WAY TO GO GIFT!

We are so proud of Dennis, Gift, and all our children for their hard work during this different and difficult time!
